Studio Info below...

BTN Studio Information for Pupils, Teachers and Parents

As part of the project all participants will visit a professional recording facility to work alongside our experienced producer and engineer. Each group will record a song of their choice.

The Session

- Each session will last for 6 hours in total.
- Pupils will take part in a short workshop, equipment and instrument demonstrations followed by 4 hours of recording time.
- The session takes place at The Doghouse, Suite 4/2, 5 St. Vincent Pl. Glasgow G1 2DH. We are located just off George Square, next door to the restaurant 'La Vita'. To enter press the bell to the right of the glass doors.

Additional Information

- The studio is a newly fitted professional environment.
- All electrics have been certificated by an approved contractor.
- The building is wired with a central fire alarm system.
- We have 2 emergency exits.
- All BTN team members are registered with and approved by Disclosure Scotland's PVG Scheme.
- The premises have toilet and kitchen facilities.
- Pupils are welcome to bring food and beverages.

Contact Information

Any pupil or parent is welcome to contact us at any time with any questions they may have. The session will be taken by producer Rico Capuano and engineer Gerry Gregory.
